

3101 Serenity Hills: Harrison Hills Subdivision Jonesboro Home Builders, LLC

Gorgeous newly constructed home by Jonesboro Home Builders that features all the latest trends! Amenities include: white quartz countertops, shaker style cabinetry with custom vent hood cabinet, cathedral ceiling with dramatic beams and two chandeliers, stone fireplace, master bedroom with 12 feet of built-in cabinets that surround a gas fireplace, metal screen room enclosure with wood fireplace, two guest baths with ceramic tile shower walls, formal dining room with coffered cgl, & more. Sellers are Realtors Large laundry room with sink and cabinets that sits opposite a mudroom with brick floor and cubbies. Off the kitchen, you will find a beverage station with wine cooler and walk-in pantry.

This split bedroom floor plan features oversized bedrooms. The guest wing offers three bedrooms and two bathrooms. One bedroom has its own private bathroom. The guest bathrooms feature luxurious 12 x 24 tile shower walls atop a bath tub. Hardwood flooring is found throughout the entire main level, except the three guest bedrooms.

Upstairs, you will find an unfinished bonus room and a fourth bathroom that has already been partially plumbed. All the recessed lighting is LED and the home features two natural gas tank less water heaters. The yard is landscaped and sodded.

A fence is installed along Neely Road featuring stone columns and wrought iron fencing from the front yard to the rear portion of the home; then, a privacy brick wall will be installed that will join another stone column that will frame a limestone sign for "Harrison Hills". Sellers are licensed Realtors.
