

3109 Serenity Hills: Harrison Hills Subdivision Bob W. Harrison Construction, LLC

Gorgeous European, French country design new construction that has 4 bedrooms, 3 bathrooms, and a sunroom at 2750 square feet heated and cooled. The formal dining with arched doorways makes a lasting impression of elegance that is not alone in this home.

The kitchen features white shaker style custom cabinets with quartz countertops, under cabinet lighting, backsplash, and a pantry. The breakfast area has a built in bench with thin brick accent wall. All downstairs bedrooms have walk-in closets. The nice sized laundry has a sink, folding table, mid bench, and overhead cabinets. There is even a screened back porch.
